Letter of Authorisation

Dear Sirs,

This is to certify that SMA Solar Technology AG will give necessary technical support, hardware supply and after sales support & spares (based on form, fit and function) on chargeable basis to

Sheedsun SUN RAD

in case projects in Iran will be executed by Sheedsun SUN RAD with SMA units.

The SMA Group generated sales of €1.5 billion in 2012 and is the global market leader for solar inverters, a key component of all PV plants and, as an energy management group, offers innovative key technologies for future power supply structures. It is headquartered in Niestetal, near Kassel, Germany, and is represented internationally in 21 countries. The Group employs more than 5,000 people worldwide. SMA's broad product portfolio in-

cludes a compatible inverter for every type of module on the market and for all plant sizes. The product range includes both inverters for photovoltaic plants connected to the grid as well as inverters for off-grid systems. SMA is therefore able to provide ideal technical inverter solutions for all plant sizes and types. Since 2008, the Group's parent company, SMA Solar Technology AG, has been listed on the Prime Standard of the Frankfurt Stock Exchange (S92) and also in the TecDAX index. In recent years, SMA has received numerous awards for excellence as an employer and achieved first place in the nationwide "Great Place to Work®" competition in 2011 and 2012 and fourth place in 2013.

We provide factory warranty for 5 years of the products and guarantee high quality of products and its originality (for the Fuel Save Controller, we provide a factory warranty valid for 2 years from the date of purchase). Details of our warranty conditions you will find on our homepage: www.SMA.de
